

10 April 2007: AusSMC Briefing on IPCC AR4- Working Group 2 Report:

“Climate Change 2007: Impacts, Adaptation and Vulnerability”

Dr Mike Coughlan, Head of the Bureau of Meteorology’s National Climate Centre and Review Editor for Chapter 11, dealing with Australia and New Zealand.

Bio Note

Mike began his career in the Bureau of Meteorology as an aviation and public weather forecaster before moving to the Bureau’s Research Branch and helping to formulate the structure of the National Climate Centre.

In 1990 he was seconded to the NOAA Office of Global Programmes in Washington DC, and in 1997 joined the Secretariat of the World Meteorological Organization as Director of the World Climate Programme Department. In January 2003 he returned to the Bureau of Meteorology as Head of the National Climate Centre.

The Australian Science Media Centre (AusSMC) is an independent national venture working to promote the voices, stories and views of the Australian scientific community to the news media when science is in the headlines. The centre is advised by a Science Advisory Panel and governed by a Board of Management. A wide variety of sectors support the not-for-profit centre with each contribution capped at 10% of total running costs. Foundation sponsors are Fairfax Holdings, the ABC, News Ltd, Macquarie Bank, PBL, the CSIRO, APN News & Media, RACI, ResMed Inc, Ernst & Young, Shell, Prime TV, Media Monitors, Innovative Research Universities Australia and the Government of SA. Gold Sponsors are John Winter & Slattery, BHP Billiton and the University of Adelaide.
